⁵If any of you **lacks wisdom**, you should **ask God**, who gives generously to all without finding fault, and it will be given to you." James 1:5

Yesterday I visited Nancy Nakajima and Kiku Kuwatani who are at CHOMP. Nancy was admitted on Wednesday with fluid in her lungs and legs and Kiku has a possible punctured lung.

As I prayed for them, I prayed for their doctors that they would have wisdom to be able to give them the best course of treatment.

James 1:5 tells us that when we face the trials of life and need direction we should **ask God** who gives generously and without finding fault. God delights to move and work when we share our burdens and ask for his help. And even when we don't know how to pray, and we don't have words, Romans 8:26 teaches us that the Holy Spirit intercedes on our behalf.

Thought For Today: What is your need? Is there anything causing you to be discouraged? In what situation do you need wisdom? Take time to today to ask God for His help and wisdom.

Toda's Prayer Focus: Take time to pray for Nancy and Kiku and those like them who are dealing with the trials of life and in need of God's help. Pray that the doctors will have the wisdom to treat them. Deo Volente.
