

Daily Devotion For December 29, 2022

And Jesus went about all the cities and the villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of disease and all manner of sickness. --Matt. 9:35

Do you know anyone who is sick and in need of God's healing touch? Yesterday I heard that my brother Bill was admitted to the Glendale Adventist hospital. For months he has been prepping for going on dialysis and after the Christmas holidays it seems like that time is near.

Looking back at 2022 we have had Bob McIntyre, Kiku Kuwatani, Mike Kelly, Tomi Tanaka, Tom Gunter, Marilyn Kodani, and myself in the hospital. There are others who are in need of God's healing touch, Dr. Cary Gota, Joan Ouye, Junki Kitahara, and Sherry Esaki among others.

Matthew 9:35 tells us that Jesus went throughout Galilee healing every kind of sickness and disease. Jesus is our great Physician. If you need a physician who knows your suffering, understands how you are feeling, and has the cure, make an appointment to spend time with God today.

**Thought for Today and Today's Prayer Focus:** Praise God that Jesus is our Great Physician. Take time to pray for those who are in need of God's healing touch and that they would know the healing touch of Jesus physically, emotionally, and spiritually. Deo Volente.
